NEW APP

We at CNY Point of Sale have been developing an app that will display your business information to customers through a website and provide management with a secure control panel to help run your business—**without the hassle** of design and programming!

You're in **control**

Nobody knows your business better than you.

User **friendly**

No experience? No problem!

Always **improving**

We'll add fun features and tools in real time. Join us!

Join our early access program to run your business with new efficiency and ease!

CNY
POINT OF SALE

A Catch Clients LLC Company

Managing your business just got easier.

Along with a customer facing website and a control panel for management, signing up for our exclusive beta early adopter test program will allow you to constantly receive new and improved tools to assist with reporting, managerial tasks, employee management and much more at no additional cost.

Limited to 25 spots only!

**1** **Sign up** for beta

2 **Access** your website

3 **Fill in** your information

This app valued at $199/mo will be offered to the **first 25 clients** at the discount of **$59/mo.**

$249 Setup Fee. Cancel Anytime.

Integrates with our credit card processing.
